

# Student Seminar and Documentary Feedback Report

Thank you for taking the time to participate in this seminar.

We are interested in your comments and feedback on *The Marketing of Madness—Are We All Insane?* DVD and anything you may wish to communicate about what you learned from it. Please let us know what you think in the spaces provided. Use additional paper as needed.

1. What key message did you get from this seminar and the documentary *The Marketing of Madness—Are We All Insane?*

---

---

---

---

---

2. How did your ideas change or not change as a result of watching this documentary?

---

---

---

---

---

---

3. What concerns, if any, do you have about the way psychotropic drugs are marketed to consumers?

---

---

---

---

---

4. What should be done about this concern?

---

---

---

---

---

5. How could you use the information you have just learned?

---

---

---

---

---

6. What plans do you have, if any, to educate and protect others or to take a proactive role in this issue?

---

---

---
